My fellow Hartleyites,

Thank you for electing me to the post of president for the year 2004/05. I am humbled by the trust and confidence you have placed in me. I shall carry out my responsibility to the best of my ability.

New Committee

The 2004/05 committee has been rejuvenated by the participation of three new enthusiastic members. Already they are out there canvassing for Life Membership and investigating and formulating strategies for our fund raising projects for the current year.

News from the Trust

I received communication from the Trust informing the successful negotiation of funding by the Provincial Council for the following projects:

- New Library Building
- Furniture for the Library

We have received a list of projects for our consideration. In view of the size of our Association we can only undertake to fund small projects. Your management committee is looking in to the possibility of funding the purchase of furniture to the laboratories or the procurement of teaching aids. Either project will cost us in the region of \$3,000 to \$4,000. We will contact you shortly on this matter.

We also received confirmation from the Deputy Principal, Mr. N.Gunaseelan that the electrical wiring for the Physics Laboratory project funded by our branch is complete.

Annual Cricket Match with Jaffna Hindu College

You may recall that our team won the challenge cup last year. The Hindu College past pupils are planning to take the cup away from us by winning the match on 3 October. I would like to see many of you turning up to cheer our team encouraging them to give a good fight and retain the trophy.

With kind regards

Charles Somasundram
President

Treasurer's Report

Dear friends,

Financial highlights of the Year 2004/2005

1. We have re-launched a life membership drive in the current year (2004/2005) and have seen several members expressing their interest in becoming members. Already four new life members have joined us and fifteen annual members have paid their subscription. Money collected towards the membership subscription in this year amounts to \$450
2. We have decided to keep the life membership fees in a fixed deposit account in order to hold this as a reserve not available for appropriation and to get a reasonable return on the investment. We have opened a fixed deposit account at St George bank and transferred \$5,000 in September 2004. This is yielding an interest of 5% per annum. The return is sufficient to meet the monthly running expenses such as postage and stationary.
3. Eight boxes of books have been sent to Hartley College Library. A shipping charge of \$160 was incurred. Our secretary Paskarajothy managed to negotiate a concessionary deal as it is a school project.
4. To facilitate the transactions between the members and the association, please find our bank account details listed below

Jim and Edna were both patients in a mental hospital.

One day while they were walking past the hospital swimming pool, Jim suddenly jumped into the deep end. He sank to the bottom of the pool and stayed there. Edna promptly jumped in to save him. She swam to the bottom and pulled Jim out. When the medical director became aware of Edna's heroic act he immediately ordered her to be discharged from the hospital, as he now considered her to be mentally stable.

When he went to tell Edna the news he said, "Edna, I have good news and bad news. The good news is you're being discharged; since you were able to rationally respond to a crisis by jumping in and saving the life of another patient, I have concluded that your act displays sound mindedness.

The bad news is, Jim, the patient you saved, hanged himself right after you saved him with his bathrobe belt in the bathroom. I am so sorry, but he's dead."

Edna replied "How soon can I go home doctor? And, by the way, Jim didn't hang himself; I only put him there to dry"

WHEN A MAN SAID THE RIGHT THING

Marty wakes up at home with a huge hangover.

He forces himself to open his eyes, and the first thing he sees is a couple of aspirins and a glass of water on the side table. He sits down and sees his clothing in front of him, all clean and pressed. Marty looks around the room and sees that it is in perfect order, spotless, clean. So's the rest of the house.

He takes the aspirins and notices a note on the table "Honey, breakfast is on the stove, I left early to go shopping. Love you."

So he goes to the kitchen and sure enough there is a hot breakfast and the morning newspaper. His son is also at the table, eating.

Marty asks, "Son, what happened last night?"

His son says, "Well, you came home after 3 A.M., drunk and delirious. Broke some furniture, puked in the hallway, and gave yourself a black eye when you stumbled into the door."

Confused, Marty asks, "So, why is everything in order and so clean, and breakfast is on the table waiting for me?"

His son replies, "Oh I don't know! Mom just dragged you to the bedroom, and when she tried to take your pants off, you said, "Lady, leave me alone, I'm married!""

EXTENDING MEMBERSHIP TO HARLEYITES LIVING IN AUSTRALIA BUT VICTORIA

It was resolved to amend the constitution to extend membership to Hartleyites living in Australia but away from Victoria. Mr Elango explained the proposal. Dr. V. Vasanthakumar stated that a similar works in Canada and America.

Mr. C. Paheerathan asked whether there would be difficulties in communication. Mr Elango explained that they will be included in the mailing list and wher ever possible in email. The amendment was adopted. Proposed by Mr Elango and seconded by Mr Kaneshalingam.

POSITION OF VICE PATRONS

President asked the membership to support an amendment to the constitution. This amendment is to add five positions of vice patrons. The position is for a period of

five year period. This is similar to how Colombo and Canada branch operates. Mr Sri Anandarajah wanted the reasons for the proposals. Mr Elango said that the positions provide guidance and advice to the committee. He further explained that the Vice Patrons will be part of the committee but have no vote. The amendment was passed by the membership. Proposed by Mr. Sugumar and seconded by Mr Srianandaraja.

EXPANDING OBJECTIVES

Declaratory

10th July 2004

A man was tired of being bossed around by his wife; so he went to a psychiatrist. The psychiatrist said he needed to build his self-esteem, and so gave him a book on assertiveness, which he read on the way home.

He had finished the book by the time he reached his house.

The man stormed into the house and walked up to his wife. Pointing a finger in her face, he said, "From now on, I want you to know that - I - am the man of this house, and my word is law! I want you to prepare me a gourmet meal tonight, and when I'm finished eating my meal, I expect a sumptuous dessert afterward. Then, after dinner, you're going to draw me my bath so I can relax. And, when I'm finished with my bath, guess who's going to dress me and comb my hair?"

"The f**king funeral director," said his wife.

Appreciations

MR. GAJENDRAN BALASINGHAM

A prominent Old Hartleyite, Mr. Gajendran Balasingham, passed away on sixteenth of July, this year, following a brief illness. His funeral took place three days later at the Kanatta cemetery, Colombo.

He leaves behind his wife Dr. Saraswathy and sons Kishan and Dharshan.

Gajendran joined Hartley as a student in 1958, soon after the communal disturbances. He lived at Manthikai with his maternal grandfather, the much revered Manickavasagar, the registrar and the Chairman of the Puloly Village Council. His classmates included P. Elango (Australia), my cousin S. Sabapathipillai (Canada), Santhiranantha Ratnarajah (Australia) and Jeyakumar Pooranampillai (Peradeniya, Sri Lanka), son of 'KP'. For his age, he was a tall and strongly built lad. In his class he looked more like a 'Giant' among 'Lilliputians'! The exception being Chandrapalan Arnold (Colombo), who was lean and tall.

He was my team-mate at cricket in 1959 and 1960. As a cricketer he was enormously talented. Gajendran was a lively person, who loved to narrate stories and also tease the fellow team-mates. At Hartley, he was a very popular person among the students. In 1962 he captained the Hartley College Cricket Team. The same year he was adjudged as the best School Cricketer of the North. He won the Ceylon Schools Best All-rounder Prize, the President's Cup and was appointed as the vice-captain of the Ceylon Schools Cricket Team that toured Australia.

After leaving Hartley he joined St. Thomas College, Mount Lavinia and excelled in cricket as a fast bowler. After leaving school he became a tea planter and thereafter went into tea brokering business. *(Contributed by N.Karunakaran)*

Dr Nadarasa Rajamanikkam

Dr Rajamanikkam passed away peacefully on the 13th of August 2004, in Sydney. He was born on 03 March 1921 and grew up in Viyaparimoolai, Point Pedro. Dr Rajamanikkam studied at Hartley College in 1930's and pursued his medical training in Colombo Medical College in the early 1940's.

After completing his training he worked as a registered medical practitioner in Trincomalee, the Hill country, and Colombo. He returned to Point Pedro and continued in government service between 1971 and 1975. Dr Rajamanikkam then retired from government services and worked privately in his own practice "People Dispensary" in Point Pedro where he was popularly known to many of us. In 1992 he closed his dispensary due to the escalating civil unrest and moved to Trincomalee until his wife and he were reunited with their two daughters in Sydney in 1996.

Dr Rajamanikkam was well-known for his kindness, skillful medical care and humbleness. He is survived by his wife Mrs Balambikai Rajamanikkam, daughters Jamuna and Saroja and son Dr Anantharajah who is also an old Hartleyite.

May God rest his soul *(Contributed by Dr.S.Thava Seelan)*
